

DIVISION Of Vocational Rehabilitation

Short-term care with four separate services available for clients with documented developmental disabilities.

TRIAL WORK EXPERIENCE

- ✓ Available for clients who have not worked during a period of 5 years or longer
- ✓ Or is a potential client with behavior concerns that would not be a fit for employment

JOB PLACEMENT

Work with clients to build resumes and put out applications on their behalf to employment opportunities they would be successful in.

- ✓ Build resumes
- ✓ Mock interviews
- ✓ Assist with shuttle applications or transportation alternatives
- ✓ Apply for employment

COMMUNITY-BASED ASSESSMENTS

First step for new Division of Vocational Rehabilitation (DVR) clients; 1-3 month contract to assess job skills, interest, accommodations for clients.

- ✓ We work at 3 separate business sites for a total of 6 assessments (including Job Carr Cabin, World Vision, regional food banks, Ace Hardware, Hops N' Drops).
- ✓ Work through any barriers with transportation
- ✓ Assess the ability to get employment

RETENTION/INTENSIVE TRAINING SERVICES — JOB COACHING

Retention is for clients who do not qualify for services after DVR assessments are completed. Intensive Training Services (ITS) is for DVR clients who qualify for Developmental Disability Administration (DDA) services.

- ✓ Work with placement and create schedules with clients and employers.
- ✓ Assist with negotiations on accommodations (if needed).
- ✓ Create job tasks lists for clients and employer
- ✓ Notify DVR when stabilization is recognized by employer, client and vocational rehabilitation counselor (VRC)
